## Swansea Mews Redevelopment

The city has proposed 35- and 20-storey towers at the site of the Mews in Swansea

- 649 units, an increase of **495 units** is unsustainable
- Limited resident parking (only 80 spaces)

### The density overwhelms

- Livability
- Schools
- Daycare
- Roads
- Services
- Transit

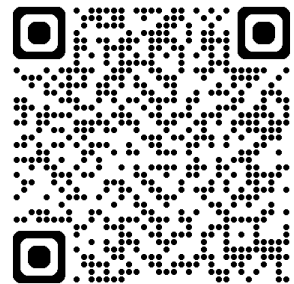

The City has chosen to forgo proper community consultation and acknowledge the impacts on the Former Residents, Neighbours, Swansea Village and adjacent neighbourhoods. **Let's make sure input from the community is considered.**
